

ShopKart Delivery Policy

Excerpt 1: Standard Delivery Coverage

ShopKart offers complimentary standard delivery on all orders exceeding a cart value of 599 rupees. Standard shipments are tendered to the carrier within thirty-six hours of order confirmation and typically arrive at the customer doorstep within four to seven business days. Deliveries are attempted between 9:00 AM and 7:00 PM on weekdays. If the customer is unavailable, the courier will leave an Attempted Delivery card and retry the next business day. After two unsuccessful attempts the consignment is routed back to the nearest ShopKart origin hub at no additional cost to the buyer.

Excerpt 2: Express and Same-Day Delivery Rules

Express delivery is available exclusively for pin codes falling inside the ShopKart Metro Catchment Area, which presently includes Mumbai, Delhi, Bengaluru, Hyderabad, Chennai, Kolkata, Pune, and Ahmedabad. Orders placed before 1:00 PM IST on a working day are eligible for next-day delivery, while orders placed after the cutoff ship the following business day. A special Same-Day Parcel tier is offered on flagship smartphones and premium audio products, subject to a 199 rupee handling fee and a strict 11:00 AM order cutoff. Same-Day deliveries are handed over to the customer personally; if the recipient cannot present a government-issued photo ID, the parcel is treated as undeliverable and returned to the origin store.

Excerpt 3: Damaged, Lost, and High-Value Shipments

Every ShopKart shipment is sealed with a tamper-evident holographic strip that the customer must verify before signing the delivery manifest. If the strip is broken or the outer carton shows crushing damage, the customer is entitled to refuse acceptance and request an immediate replacement. For orders valued at 25,000 rupees or above, ShopKart mandates an Adult Signature on Delivery protocol; couriers will not release such parcels to minors, building security desks, or neighbours without explicit written authorization. In the unlikely event a consignment is reported lost in transit, ShopKart will dispatch a replacement within forty-eight hours of carrier confirmation of loss, or issue a full refund to the original payment method if a replacement is unavailable.
